

Career Exploration: Tourism Attractions in West Virginia

Vocabulary: What is a tourism *site or attraction*?

A tourism site or attraction is a place that makes visitors want to visit and has things for them to do or see while they are there.

What tourism attractions have you visited? Hint: This might be a museum or park. List any place you have gone with your family or friends *for fun!*

Tourism Attractions in West Virginia

West Virginia has many different attractions for visitors! Using WVtourism.com to explore, find at least 3 attractions you would like to visit.

When you traveled to a tourism site (like a park) or went on vacation, list all the different people you met along the way.

All of these people are part of the tourism industry. They help to make your experience fun, and hopefully they make you want to visit again.
